

The Nog Inn PUB FARE

Childrens menu

£4.95

We realise how costs mount up when eating out sometimes, so have decided to offer a one price deal on our childrens menu.

For £4.95 your child can have a drink from the list below, one of our main courses and a couple of scoops of ice cream to finish it all off. Brilliant!

All our food is home made where possible (please ask for details) and if your child is particularly hungry please let us know and we'll rush their order through.

**Happy children =
