

★ WELCOME TO THE NOG INN ★

We are currently incredibly short staffed, especially in the kitchen. All our food is freshly cooked to order, and as such it will take time, especially during peak periods - your patience is appreciated. We would rather take our time and send out the best food we can produce, than rush it & let standards slip.

However, if you are in a hurry, please speak to a member of our team will be able to advise which dishes are quickest to produce in the kitchen. Thank you!
